

RLSS UK

Allocation of Additional Regional Qualifying Places 2008

The additional qualifying places for the 2008 National Lifesaving Championships will be based on the results from the 2007 Championships.

Each region will have one qualifying place to the finals, however regions will be allocated a maximum of one additional qualifying place on the following basis:

The regional entry in the category achieved an overall finishing place in the first three.

Where any region had two entries finishing in the first three places they will only be entitled to a maximum of two entries and the region finishing fourth in the 2007 finals will receive the additional place at the RLSS UK National Lifesaving finals in 2008.

Each region receiving two qualifiers in any category must nominate which entry is to be included in the scoring for the Regional Trophy.

The relevant positions for 2007 are as follows:
