

# Make up your lips for Kiss4Life and support Lifesavers™

Make a pair of lips from coins  
and support

# KISS 4 LIFE

Use this  
template  
(blow it up as  
large as you like!)  
and gather as much  
change as possible to  
create a 3D pair of lips.

Don't forget to get a photograph  
(taken from a position as high as possible)  
and send it to your local paper and to us.

**Most important of all, send the proceeds into us at  
Lifesavers, to help us save more lives!**
